VALEDICTORY CEREMONY

The program was concluded with the valedictory address made by the Chef Guest Prof. C. Vishnuvardhan Reddy Garu, Director, Academic Audit Cell, Osmania University. He appreciated the students of the college for successfully conducting such a big IT & MANAGEMENT event in one day. He said that conducting and participating in such events help the students in bringing out their inner talents. He congratulated the winners of all events and distributed the prizes and certificates. LUCKY DIP was another attraction of the day. He awarded the surprise gifts to the lucky winners in both the events.

ACADEMIC ACTIVITIES DURING 2009 – 2010

I. **Workshop on Soft Skills:** A two-day workshop on Soft Skills was conducted on 3rd and 4th August, 2009 by IEG for MCA and MBA students. The workshop was aimed at developing team building, group discussion, communication and interview skills and proved to be highly beneficial for the students.

II. **Mock Interviews:** On 29th August, 2009 the college conducted mock interviews for MBA II year students to train them to face interviews confidently. It was organized in two phases. Phase - I was about resume and CV's preparation and Phase - II was about one to one interview. HR professionals from the Corporate world led the program. The well-performed students were awarded with certificates at the end of the day.

III. **Junior's prabhashan:** Presentation is the signature

quality for MBA graduate. The College organized a program "JUNIOR'S PRABHASHAN" - a PPT based seminar competition for MBA I year students on 20th Nov, 2009. The topics for seminar were from all MBA - I Sem subjects as well as general topics. Nearly 50 students came forward enthusiastically to make lively and captivating presentations in this one-day program. It was a good learning experience for the participants. The objective of this program was to create a platform for the students for interacting with each other and to dispel the so-called stage fear.

IV. **Industrial Visit:** With an objective of Industry-Institute Interaction, our MBA Ist year students were taken to "THE HINDU PRESS" at Uppal on 30th March, 2010. Students were guided by an executive Mr.

Srikanth who explained the whole processing system of the well-equipped high-technology press. The objective of this industrial visit was to give a feel of the production process system to students.

V. **Market Survey:** With a view to have a market exposure to our students and to know the customers' perception, every year we organize the innovative program "Market Survey". It was conducted on 13th April, 2010, on "Working-Class Perception towards Savings". The study was held in twin cities at places like Hi-tech city, Banjara Hills, Somajiguda, Begumpet, Secunderabad, Uppal Genpact, DSNR, Abids etc. The study was targeted on different working class people. The sample size was 450 and total number of groups participated was 15.
